

Group Dining Information

Harvest Kitchen offers you options if you are interested in dining with us for a special event or for a casual catch up and we are happy to work with you to make your experience a special one. We have designed our food to be shared and it is the perfect way for friends to get together and dine.

Lunch

If you have a group between 8 and 24 people we have our 'Feed Me Like a Barossan' menu at \$59 per person: Relax and leave it to us to select a range of dishes for your table so you can enjoy time with friends, drinking great wine.

Dinner

For group dining in the evening from Saturday to Thursday we are happy to cater for larger groups of 25 guests or more with menu options starting from \$59 per person. Smaller groups can be catered for but will be subject to minimum spend requirements

Dietary requirements can be taken into consideration when planning your event. Our access to fresh ingredients changes with the seasons and therefore some adjustments to dishes may be necessary.

As our home is at Artisans of Barossa and we can offer you wines from the seven amazing wine makers that are part of this group. We can help you in selecting some fantastic wines to suit your menu or feel free to make your own selection from over 70 wines available on our list. There's also a selection of local beers and ciders and juice and soft drink options to choose from.

Kids are more than welcome to join you at Harvest Kitchen. Our food is friendly to young palates and there are areas where parents can supervise their children playing.

If you'd like any more information about group dining at Harvest Kitchen or would like to make a reservation talk to Pete or Alex via email - info@harvest-kitchen.com.au or phone - (08) 8563 3935
